Vice President – Steven

Administrative Director – Debby—Updating the contact list to use for trips etc...

Finance Officer –Dan—no change from last week.

B. Senators

Reuben—the door has been left open when no-one is in the office, please make sure you close up and turn off the lights if you are the last to leave.

C. Committees -

Student of the Month –Steven made a motion and Reuben seconded that we honor any student senate member that gets nominated, but that we do not elect that person for Student of the Month.

Parking Committee—We should set a time to let Jenny know so that she can get things together for us as needed.

- D.** Advisor – Welcome to all the new senators!! PTK is proposing some changes for Graduation. Topic for EOVS—We could maybe drop parking regulations because all the work that goes into it does not quantify the little revenue from it—We could maybe change to a Access Fee that would cover all students who use the campus. It includes snow in the lot as well as sidewalks, someone to open doors in the mornings and evenings, etc...

VI. Old Business

Committees – What would you like to see?

Faculty of the Month, Committee for the March Conference, Welcome Committee, Classroom Committee, Strategic and Long Range Planning Committee, Galloping Gavel.

We elected to have Faculty of the Month, Tabling/Classroom Visits, and Galloping Gavel as our new committees this year.

Sign up for the committee(s) you would like to be on.

Fall General Assembly – Quad rates vs. other choices, who is planning on attending and registration.—George made a motion and was seconded by Kelly that we register at Quad rate for conferences, with the understanding that if we want to register at any other rate we are going to be charged the difference.
