What is Post-Secondary Enrollment Options?
Post-Secondary Enrollment Options (PSEO) is a program that offers high school juniors and seniors the opportunity to take college-level courses. The credits earned can apply towards both high school graduation and college degree requirements. This program was created to provide rigorous academic challenges to qualified students. District dollars cover the cost of tuition, fees and required books.

Note: The PSEO program does not pay for developmental courses (those numbered below 100), test outs, transportation, food, uniforms, tools and special fees.

What should students consider before applying?
Attending college is an important life decision and should be considered carefully. PSEO students are afforded the same rights and responsibilities as all college students, and must be able to:

- Take full responsibility for managing time and assignments
- Make room for more study time outside of class, with fewer instructions on how and what to study
- Handle multiple deadlines without reminders
- Take initiative to seek help when needed

Students who try to work more than 20 hours per week tend to have great difficulty keeping up with the faster pace of college. In fact, students can expect to spend two hours outside of class in preparation for every one hour of classroom lecture. Social maturity is also important in working with older students and in handling the academic challenge of college.

What are the eligibility requirements?
PSEO is available to juniors and seniors enrolled through any Minnesota public school, home school or alternative learning center who present evidence of the ability to perform college work. Such evidence includes the following:

- for juniors, class rank in the upper one-third of their class or have a 3.0 GPA
- for seniors, class rank in the upper one-half of their class or have a 2.5 GPA

How do I apply?
The PSEO application materials are included in this packet. Please read over the packet carefully and follow all instructions. You will need signatures of high school personnel and parents, so plan ahead and apply early. Doing this will ensure a timely consideration of your application.
NOTE: Complete an enrollment form for each instructional term and postsecondary institution the student attends. Once Sections 1, 2, and 3 are completely filled out, mail the enrollment form to the postsecondary institution. Do not mail this form to MDE.
