Transfer Students

Students transferring to Ridgewater College should have an official transcript sent from each institution to the Admissions Office of the campus of Ridgewater College at which they are enrolling. (Ridgewater College is able to retrieve transcripts for students who have attended other Minnesota State institutions through the e-transcript system at no cost to the student once the student is accepted to Ridgewater College.) Transcripts will be evaluated for specific course equivalents and transferable elective credit so students can be appropriately advised on course enrollment and receive transfer credit for priority registration.

Students who have a financial hold at another Minnesota State institution will not be allowed to register for any courses at Ridgewater College (or any other system institution) until the financial hold has been resolved and removed.

Students who are currently suspended or have been expelled from another college or university for disciplinary reasons shall be given the opportunity to appeal the suspension as long as it is before the suspension appeal deadline.
