## APPLY FOR AN ID GRANT

The ID Grant program provides students with intellectual and developmental disabilities with financial assistance for tuition and fees. If you are enrolled in the OSP program, you may be eligible to receive an ID Grant to help you pay for the tuition and fees not covered by the Federal Pell Grant, State Grant or any institutional aid you are receiving.

You are eligible to receive an ID Grant if you are a Minnesota resident who is enrolled in and attends the OSP program. To apply for the grant, fill out the FAFSA -or MN Dream Act- by July 1.

## ABOUT OSP

The Ridgewater Community College Occupational Skills Program (OSP) is a nine-month, vocational program designed for students with intellectual disabilities, that focuses on providing training for competitive entry-level employment.

OSP offers a curricula that combines vocational training with personal management classes. Students will participate in vocational training at a community-based training site. On campus, students will take personal management classes, as well as job-seeking and job-keeping courses, that prepare them to strive for competitive employment and independent living.
