About the Warriors

Warrior Men's Basketball has a long tradition on the court and in the classroom. Ridgewater is a great place for hoopsters looking to further their athletic careers.

Our two-year community and technical college has campuses in Willmar and Hutchinson, MN. All practices and home games take place on the Willmar campus, but the team is open to students from either campus or online.

In its last season, the team went 16-10 overall, finishing with an 8-6 division record. The Warriors qualified for the Region 13 tournament, and had several players earn academic awards and three earn Minnesota College Athletic Conference (MCAC) recognition.

It's an exciting time for Warriors. Our coaching staff builds its court family by instilling a desire to play for each other, working hard, and striving to improve each week.

During Coach Thooff's time with the Warriors, the program has developed from a 5-win team to a 16-win team.

The Warriors have committed to being a team that wins with mature athletes who want to buy into a program, are hungry to improve, and are great teammates. When a team comes together and plays for each other towards one goal - now that is fun and exciting collegiate athletics!

Going forward, the Warriors are working to be a consistent contender in the MCAC and Region 13. Coach Thooff is on a mission to develop players as leaders, students, and players.
