## About the Program

The Health Sciences Broad Field AS degree helps prepare you to transfer to a four-year institution for a broad array of health science majors. It's also a good major to choose if you're still considering whether a two-year health career program like nursing might be right for you. Take a variety of foundational health classes:

- Anatomy
- Biology
- Physiology
- Chemistry
- Communications
- Statistics
- Psychology
- Sociology
- Nutrition

You will have a science-heavy focus and an excellent opportunity to get a quality first two years of a four-year degree in a smaller, more personal environment with excellent faculty. Test the waters of whether a healthcare career is a good fit for you!

## Transferability

Ridgewater's degree is designed to fulfill the health science baccalaureate

## Program Distinctions

- Personalized attention in small classes
- Flexibility in transferability when you haven't yet narrowed down your specific dream healthcare career
- State-of-the-art new science labs

requirements at all Minnesota State system universities offering related degrees, including but not limited to:
