Healthcare Administrative Assistant

ridgewater.edu/healthcareadmin

Fully Online

About the Program

At Ridgewater College, you'll acquire specialized skills needed as a healthcare support professional, with a strong base in medical terminology in pharmacology, pathophysiology, anatomy, and physiology.

Gain expertise in:

- Preparing and maintaining medical and financial records
- Scheduling and coordinating appointments
- Working with patients via the phone and in person
- Addressing health insurance and medical-legal responsibilities
- Develop skills in working within the patient's electronic health record (EHR)
- Maintaining strict confidentiality and upholding all HIPAA standards
- Processing insurance and billing information for timely payment of medical insurance claims

You will also develop office skills such as preparing and reviewing medical records, creating correspondence, assisting with reports, speeches, articles, and conference proceedings.

Students in this program enjoy the expanded flexibility and convenience this program offers now that it is fully online.

Program Distinctions

- Cutting-edge education on patient documentation for the electronic healthcare record
- Great student-to-instructor ratios to maximize hands-on experiences

Career Info

The U.S. Department of Labor ranked medical administrative assistant jobs among the top 25 fastest growing jobs in their Occupational Outlook Handbook.

U.S. job growth is projected to grow from 2018 to 2028 by a strong 16% for healthcare administrative assistants, also called medical secretaries. Central Minnesota is even higher at 21.9%. The entry-level Minnesota wage average is \$17.57, about the same for central Minnesota.
