## About the Program

The PN (Practical Nursing) program at Ridgewater prepares you for entry-level clinical practice as a Practical Nurse under the supervision or direction of a registered nurse, licensed physician, or dentist.

When you graduate, you are eligible to take the National Council Licensure Examination for Practical Nurses licensing exam, upon passing you can use the title Licensed Practical Nurse (LPN).

Care provided by LPNs is based on the knowledge and application of principles and skills in the prevention of illness as well as health promotion, maintenance, and restoration.

A newly revised/innovative approach to practical nursing education encourages a deep understanding of key concepts while addressing the changing healthcare environment.

## Program Distinctions

- Innovative and newly revised curriculum
- Multiple clinical sites for student practice in a variety of settings
- Simulation hands-on learning
- Small faculty-to-student ratio in classroom, lab and clinicals
- Nationally known for outstanding nursing and allied health programs
- Amazing life-like manikins

Approved by the Minnesota Board of Nursing, the Ridgewater College A Practical Nursing program is accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN). For more information on accreditation, contact ACEN at 404-975-5000 or [acensuring.org](http://acensuring.org). The Ridgewater College Practical Nursing program meets the state education requirements for a Practical Nursing license in the state of Minnesota. Ridgewater has not determined if its Practical Nursing program meets the state education requirements in any other state, any U.S. Territory, or the District of Columbia.
