Subject: Volunteers Needed!

... and we are in need of volunteers! Do you have 2-4 hours (max!) you can spare? Application review is easy and is done entirely online. The timeline for reviews is **June 3 through June 13th**. Check out this short 3-minute video — <https://vimeo.com/229756556> — to view the process, which is simple and user-friendly.

Most review volunteers are assigned an average of 20-30 scholarship applications. We hear over and over that this is a very rewarding experience. By reading student applications, you will learn valuable insights about our students, including their needs, their struggles, and their dreams for the future.

Scholarship Recipient

"I want to thank you for your generous donation and for awarding me this scholarship. These past few years have been challenging for my family and me. I am Hispanic, and the first in my family to attend college. None of my family members have had the luxury of going to college due to a shortage of funds and other problems. I understand that many others have struggled these last two years due to COVID which makes me appreciate this kindness in donating funds to help others achieve their dreams and goals very much. Even if you may not realize it, this gives me strength to continue, knowing that there are people out there who believe in me. Thank you for your help and kindness."
