

ACCEPTABLE USE OF COMPUTERS & INFORMATION TECHNOLOGY RESOURCES

PROCEDURE

Ridgewater College has adopted and follows [Minnesota State Board Policy 5.22](#) and [Procedure 5.22.1, Acceptable Use of Computers and Information Technology Resources](#), as well as [Board Policy 5.22.2, Cellular and other Mobile Computing Devices](#).

Computer and information technology resources are essential tools in accomplishing the mission of Ridgewater College. These resources must be used and managed responsibly in order to ensure their availability. This policy and related procedures establish responsibilities for acceptable use of Minnesota State Colleges and Universities/Ridgewater College information technology resources.
