RC

INFORMATION SESSIONS

March 12, 1-2 p.m.
March 14, 6-7 p.m.

Virtual on Zoom

Explore Health Information Careers

Do you want to be part of a healthcare team that makes an impact? Train in two years or less in our Health Information Technician or Medical Coding Specialist programs. Work in a variety of settings, including hospitals, insurance companies, clinics, and government agencies.

TOPICS

- Meet faculty during a program overview
- Discover the convenience of online learning
- Explore career options
- Meet Admissions staff and learn about the application and admissions process
