Make An Impact: Review Scholarship Applications!

Scholarship Reviewing: June 4-7

- Pay it Forward: Give back by supporting current students to help create a cycle of generosity
- Invest in Education: By reviewing scholarship applications, you are contributing to the growth and development of Ridgewater College

Ready to make an impact in just 2-4 hours? We're looking for volunteers to help review scholarship applications, and we'd love your support!

The process is simple and completely online. You can participate from anywhere.
Mark your calendar: **June 4th to June 7th.**

As a volunteer, you'll have the chance to read 20-30 scholarship applications. It's not just rewarding—it's eye-opening. You'll gain valuable insights into our students' needs, struggles, and dreams.

Ready to be inspired? Sign up today and be a part of something meaningful!

Opportunities

Customized Training + Continuing Education |  **RIDGEWATER COLLEGE**
 Your workforce training partner.

NEW SHORT-TERM

ACCELERATED TRAINING PROGRAMS

LIMITED-ENERGY WELDING CARPENTRY

Customized Training and Continuing Education has some awesome opportunities available!

Are you on the hunt for skilled employees in the trades industry? Look no further! Customized Training and Continuing Education is introducing a trio of brand-new entry-level training programs, tailored to provide local businesses with the trained talent they need.

Limited-Energy Systems: Get hands-on experience in low-voltage wiring, security systems, and telecom infrastructure in just six weeks! Launch your career as a technician, with potential to advance to power-limited roles or electrician positions. Starting June 17 in Hutchinson, sessions held on Mondays and Wednesdays.

Welding: Dive into basic welding techniques, safety protocols, and equipment operation over four weeks (120 hours). Gain confidence and skills for entry-level roles in construction and manufacturing. Starting June 17 in Buffalo, Monday to Friday.

Carpentry: Discover the art of carpentry in a seven-week training covering framing, finishing, and cabinetry. Perfect for those passionate about craftsmanship and construction work. Begins June 20 in Willmar, held on Thursdays and Fridays.
