Train Online for Next-Level Photography Skills

Develop your skills, confidence and photographic eye in Ridgewater's Professional Photography program through either full-time or part-time class experiences. Become a career expert OR take a single course for your hobby! Either way, learning the ins and outs of your camera, photo editing software, and strategies for portrait and commercial photography plus video will take your skills to the next level and beyond!

TOPICS

- Program versatility and career opportunities
- Differences between diploma and degree options
- Convenient, online delivery format with equipment to check out
- Changing industry dynamics
- Meet the Admissions staff and learn about the application process
