

EXPLORE *Your Future*

April 24, 2026
Ridgewater College - Willmar

Support Students in Career Exploration!

What is Explore Your Future?

Explore Your Future (previously known as the Regional Career Exploration Day) is an in-person career exploration event open to current 10th graders. Schools will bring students to campus for a no-pressure, interactive event that allows students to visit activities that interest them at their own pace. You won't find any presentations or lectures here! This event specializes in fun, hands-on activities that introduce students to careers and majors in areas like health care, manufacturing, agriculture, education, welding, business, and so much more!

Explore Your Future Opportunities:

• Be a Sponsor!

See back page on how you can make an impact!
