☐	CMST 1210 - Intro to Comm. or CMST 2260 - Interpersonal Comm.	Grade		
☐	MATH 1120 or MATH 1125 - College Algebra	Grade		

APPLICATION TIMELINE 2026

Application Open:	January 26-February 13
Applicant Interviews:	March 2 & March 3
Offer Letters Sent via Email:	March 23
Acceptance Form & $300 Matriculation Fee Due:	March 30
Mandatory In-Person Orientation:	May 18
Technical Classes Start:	May 26

GOOD TO KNOW:

- Students in the program must also complete an elective before they graduate (PSYC 1310, SOC 1050, or PHIL 1020). This can be done before or during the rad. tech. program.

- On the application, you will enter your grades & your healthcare experience. You will also need 2 people who have overseen you in some way (supervisor, instructor, coach, etc.) to complete reference forms we provide with the application materials.

- We accept 8 students each year to the Radiologic Technologist program.

- Once in the Rad. Tech. program, students should expect to be in class Monday - Friday, 8:00am-4:00pm & will have some clinical assignments outside of those hours (they will know their schedule months in advance).

- Clinical sites are mostly in Willmar, but there are some in Benson and Redwood Falls. Students will get experience at all sites.

This checklist was created as an advising tool for pre-rad tech students interested in the Radiologic Technologist AS program. Program requirements and student progress may change, thus the information reflected on this sheet may not always be accurate. Students should meet with their advisor to go over the most up-to-date information. EK. 7.7.2025.
