

## **PSEO Exempt List 2026-2027 Academic Year**

Ridgewater College reviews all courses annually to determine any courses that are not suitable for PSEO students for one of the following reasons:

- The course requires the students to interact with animals in a situation which could put the student or the animals in danger
- The course requires a level of maturity and or ethical reasoning that is beyond reasonable expectation for PSEO students
- The course has irregular meeting patterns and or travel requirements which would make it challenging for a student to fit into their schedule with their high school courses

Ridgewater College does **not** allow PSEO students to register for the following programs/courses:

- All international study/travel courses
- All COS (Cosmetology) courses – PSEO students cannot earn these awards during PSEO
- All EMSP (Paramedic) courses – PSEO students cannot earn this award during PSEO
- All MTHE (Massage Therapy) courses – PSEO students cannot earn this award during PSEO
- All RADT (Radiologic Technology) courses – PSEO students cannot earn this award during PSEO
- All NURS and PRNU (Nursing) courses (except for PRNU1617) – PSEO students cannot earn these awards during PSEO
- All OSP (Occupational Skills) courses – PSEO students cannot earn this award during PSEO
- All VNTE (Veterinary Technology) courses (except VNTE1000 in spring) – PSEO students cannot earn this award during PSEO
- All non-credit courses offered through our Continuing Education and Training Department

PSEO students can register for the following courses, but **payment is the responsibility of the student** as these are not PSEO eligible:
