

Install Office 365 for Student/Home Use (2026)

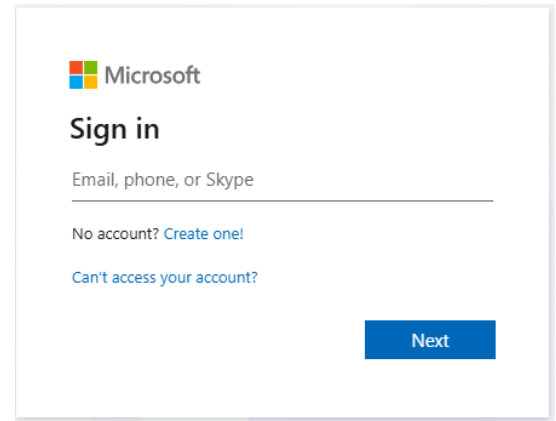

Step 1

Navigate to: <https://m365.cloud.microsoft/apps/>

Then log in with your MinnState email account.

Students: StarID@go.minnstate.edu

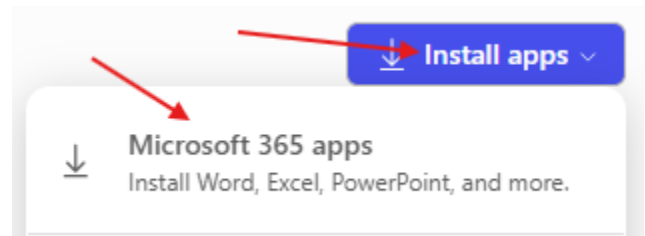

Employees: StarID@minnstate.edu

Step 2

After logging in, you should be on the Copilot landing page.

Click "Install Apps" then "Microsoft 365 Apps" in the top right corner.

Step 3

On the next page, click "Install Office"; this will start the download.

Follow the steps as they are displayed on the screen.

NOTE:

*If your setup file doesn't appear at the bottom of the screen, it usually gets saved to your downloads folder.

* This process works for both Windows and Mac.

* This software is not available for Chromebooks
